# GLOBAL PUBLIC HEALTH & FOOD SAFETY SUMMIT

JUNE 4-5, 2026 | Nina Hotel Tsuen Wan West, Hong Kong

## ENSURING A HEALTHIER, SAFER FUTURE FOR ALL

Join pest management professionals, public health officials, and food safety experts from across the globe for two days of knowledge exchange and collaboration. This international summit brings together:

- **World Health Organization expertise** on vector-borne disease trends and emerging global threats
- **Scientific research and field studies** from leading universities and research institutions
- **Practical case studies** from industry professionals across in Asia, Europe, Africa, and the Americas
- **Cross-border collaboration** with professionals from over 20 countries
- **Latest developments** in food safety audit standards and regulatory requirements

**Connect with international colleagues, share experiences, and learn innovative, practical solutions for pest management in public health and food safety environments.**

### REGISTRATION RATES

**Early Bird (Through April 15, 2026): \$250**

**Regular (April 16, 2026 – May 29, 2026): \$300**

**Onsite (After May 30, 2026): \$350**

By registering, you agree to NPMA's event terms and conditions, including our Code of Conduct: [www.NPMApestWorld.org/Code](http://www.NPMApestWorld.org/Code)

### HOTEL INFORMATION

**Nina Hotel Tsuen Wan West Hong Kong**  
8 Yeung Uk Rd, Tsuen Wan, Hong Kong

Book your stay by **April 30, 2026**, to take advantage of the group rate of HK\$750 (\$96.20 USD)/night plus taxes and fees. Contracted rates are guaranteed through the deadline, or until we sell out, whichever comes first.
